Proposed Amendments to the By-laws (April 15, 2004)

Sec. 7.5a Oral Testimony

~~Should oral testimony be helpful when considering any decision, the Board may invite members of the public to provide testimony.~~ The Board may suspend the rules to permit an individual three (3) minutes of oral testimony before Board action is taken.

~~There shall be no electronic (video, audio, or any other type) reproduction of a meeting unless deemed necessary by the Board of Directors. Only the Board shall be permitted to reproduce Board Meetings. Additionally, the Secretary may tape meetings for recording purposes and preparation of minutes. The Board shall determine the policy regarding the use of such tapes.~~

Sec. 7.8 Notice of Meetings:

a) Public Notice and Postings:

The Board may post the meeting notice at the State Office Building and County Office Building and Ho'ike's web site and shall post in the corporation's production facility for public inspection ~~at least three (3)~~ seven (7) working days before the meetings. Notice may be included on the public, education and/or government channels under the direction of the corporation. The notice shall also be posted at the principal site of the meeting whenever feasible. Items of reasonably major importance not decided at a scheduled meeting shall be considered only at a meeting continued to a reasonable day and time.
